

2024 Fresh and Saltwater Cruise Calendar

Lake Oroville

May 3-5

Lake Oroville Floating Campsite #2 in Potters Ravine.

There will be a Mexican theme potluck on Saturday, and potluck breakfast on Sunday morning for those spending the night on a boat or camping atop the floating campsite. Transportation to and from campsite is being arranged for Saturday. If you have a powerboat (or sailboat with engine) that can help with getting people without lake boats to and from site, please let Paula Sunn know!

All other cruises are TBD. A texting thread is available for those who would like to participate in Lake Oroville sailing, whether you have a boat or want to crew. If interested, please understand that you might be getting lots of texts for sailing on days you aren't interested in. The Commodore or Vice Commodore can help you get your number on the list if you're interested.

The same arrangement can also be set up for those with SF Bay boats if desired.
